

CBT TOURNAMENT RULES

1. Playing Rules: Rules of Competitive Bowling Tournaments (hereinafter referred to as “CBT Bowling” or “CBT”) stated herein, will govern all participants. USBC rules apply at director’s discretion. The CBT owners and/or directors will have the right to resolve all questions and disputes which may arise. All decisions shall be final and binding.
2. Decisions of the Tournament Directors are final, including but not limited to eligibility of players, equipment, conduct and any other factors that may lead to a player’s disqualification or rerating of a player’s average. Directors reserve the right to declare any player ineligible.
3. CBT Tournaments are same day payout events (or, last day of the event for multi-day tournaments). It is the responsibility of the bowler to verify accuracy during the event. The Bowler must provide any scoring disputes to a tournament director immediately and prior to the start of any semi-finals or finals. Scores will be considered FINAL at this time. Any disputes which arise after the completion of a tournament and payouts will be null and void. Director reserves the right of final call on any and all disputes during and after any event.
4. Eligibility: The following USBC Rules WILL APPLY to all bowlers: 319a, 319a-2, 319a-3, 319c, 319e and 202a.
5. Entering Average: Highest USBC Book average within the last three years will be taken. This includes but is not limited to all Winter Leagues, Summer Leagues, Tough Shot Leagues, PBA Leagues, Sport Shot Leagues, Challenge Shot Leagues or ANY sanctioned Leagues provided it is 18 or more games. Sport Shot averages will be adjusted upon director’s discretion. Bowlers without a previous year USBC Book average will be eligible to bowl under the following provisions which apply in the order listed:
 - i. Highest averages for the last three years combined to make at least 18 games or more.
 - ii. A current league sheet with at least 28 games. The Tournament Director has the right to deny the average used on the league sheet.

 - iv. Any bowler who is currently on the national tour or has been within the past 5 years will come in with an average of 225.
2. Bowlers may be re-rated to a higher average based on, but not limited to, past scores, director’s knowledge of bowler’s tournament scoring and/or bowler performance. Should a bowler win any tournament, he/she will be adjusted to a higher average for the next event bowled with CBT. The bowler will maintain the new average. Bowlers may request a re-rate on any bowler. Final decisions are up to the Tournament Directors.
3. Bowling Balls must be within compliance of USBC specifications for tournament play. All bowling equipment must be altered before the first ball in the first frame of the squad. Any alterations during tournament play will result in a disqualification with no refund.
4. Any bowling ball which has not reached its worldwide release date is prohibited from tournament play.
5. Event cancellation caused by any act of God, war, catastrophe, or legalities, etc. determined by Tournament Directors will result in the return of any unused entry fees.
6. No exchanges or refunds will be given on pre-paid entries if you are unable to bowl.
7. Average Recalculation: Bowlers will have the opportunity to have their average recalculated after bowling 12 games with CBT. Each recalculation shall be limited to a 3 pin drop max. Our 9 Pin Tournament No-Tap events will maintain their own average log with bonus pins and recalculations, therefore winning a 9 Pin Tournament will only affect your 9 Pin NO-TAP average.
8. Handicap is calculated as follows: 10 Pin Tournaments: 90% of 225. 9 Pin Tournaments: 70% of 225. There shall be no team maximum entering average. Handicap shall be applied PER GAME, not on the series total.
9. Minimum average is 140 for men, 130 for women and 120 for Super Senior (65 years and older). *Exception: Youth/Junior bowlers under the age of 15. Age verification must be presented upon request of any director. Upon the approval of a director, a youth/junior bowler under the age of 15 may use their current league and/or book average and handicap has no maximum pins. Director reserves the right to rerate any youth/junior bowler during tournament play if deemed necessary.*
10. Max Handicap is 76 pins for men, 85 pins for women and 94 super seniors.

11. Maximum per game score is 300. Maximum series score is 900 for three game series, 1200 for four game series and 1500 for five game series, etc.. When a bowler posts a score over the 300 max (including handicap) the score for that game will be reduced and the remaining handicap shall be forfeited. Remaining handicap will NOT be applied to the total series.
12. Bowling out of turn or on the wrong lane: On the bowler's first offense, a warning shall be given. On the bowler's 2nd offense, bowler shall keep score obtained except for when a strike is thrown. In the event of a strike, the bowler shall receive a 9/ for the frame.
13. CBT Memberships: Bowlers are not required to purchase a membership. A Strike membership is available for purchase and includes various exclusive discounts, raffles and added prize money. All member bonuses as described on any tournament event flyer, website, social media or otherwise discussed shall require the bowler to purchase a Membership prior to throwing ANY BALL (including practice time) of the squad entered in order to receive said bonus in that event.
14. Bowlers may cash once in the top 3 in any Singles and Scratch event. Bowlers may cash once in the top 3 in any Doubles event with the same partner. Unlimited multi-cash after 3rd.
15. A bowler who cashes over \$600.00 in a calendar year is required to provide CBT Bowling with accurate tax reporting information. At the end of the calendar year, CBT shall report a bowler's winnings of \$600 and up to the Internal Revenue Service (IRS) via 1099. A copy of the same will be mailed out to the bowler as well. Any fraudulent information shall be cause for immediate removal from CBT as well as a fraud report to the IRS and FBI. Failure to provide CBT Bowling proper tax reporting information shall deem the bowler ineligible for future events.
16. At the discretion of CBT Directors, any payout may be given in the form of cash or an e-check. E-checks will be printed for any bowler at an event or emailed if the bowler is not present. All checks are valid for 90 days from the date issued. Any bowler has up to 180 days from the original date of the payout to claim payment. After 180 days, funds shall be voided and added back to scholarship and prize funds.
